

## ***Andreas Helmich, Pr Eng***

**Profession:** *Civil Engineer, Project Manager,  
Contract Management Specialist*

**Company:** *HPM: Andreas Helmich - Projects & Management CC*

### ***Background, Specialization and Expertise:***

Andreas Helmich is the Sole Owner of HPM. His field of expertise is the design and construction of roads as well as project management.

Andreas is a qualified Civil Engineer and Project Manager with more than 19 years of experience in road construction, contract administration, and project management. He obtained a Dipl.-Ing. (Civil) degree (MSc-equivalent) at the University of Hannover, Germany in 1997. He also holds an MSc (Project Management) degree from University of Pretoria, South Africa, which he completed in 2008.

His key qualification is in design, tender documentation, procurement and project management.

He is a registered Professional Engineer with the Engineering Council of Namibia (2000) and also a member of the South African Roads Federation; a member of the Engineering Professions Association of Namibia and registered as Junior Adjudicator.

Andreas started his career as Contract Manager at a construction company and has completed several infrastructure projects. Since 2000 he was Project Engineer, Senior Engineer and Acting Divisional Engineer for the Roads Authority and has implemented numerous projects throughout the entire country.

Between 2011 and 2012, he assumed the duties of the Manager: Programme Management, Policy and Advice and Acting CEO of the Namibian Road Fund Administration.

In January 2008, he started his own consulting company based in Windhoek and he was appointed as Project Manager on labour-based construction projects, Studies and Master Plans. Further, he assisted KfW and AfDB as External Technical Expert, Tender Agent and Technical Project Auditor for projects in various Sub-Sahara countries, where he gained extensive knowledge and experience on the different local conditions and procurement procedures of donor funded projects.
